

Incentives Schemes of Government of Gujarat for MSME

Schemes of Assistance for Environment Protection Measures and Infrastructure

(UNDER INDUSTRIAL POLICY-2009)

Resolution No. BGT/1008/499(1)

Dated: 11/06/2009

Scheme 1 Assistance To Common Environmental Infrastructure Facilities (CEIFs) in PPP

Eligible Unit :- Any private or public institution

Eligible Projects :-

Common Waste Management Infrastructure Projects:

- Incinerators
- Co-incinerators of waste in cement and blast furnaces
- Incinerators/Pyrolysis/Plasma Reactor: waste to energy
- Fuel Projects: such as waste plastic to diesel, rubber waste to diesel/steam/ energy
- Common Solvent Recovery Plant
- Common spent acid separation plant
- Use of gypsum in agricultural land
- Road Making-iron sludge
- Biotechnology Solution for Waste Treatment & Waste Management

Common Infrastructure Projects:

- Common effluent treatment plant (CETP)
- Collection storage & disposal facility
- Common Conveyance pipeline for treated effluent disposal
- Recycling of treated waste water for industrial/ other use
- Common Spray Drying System
- Plan's For making building and other useful environment friends materials from the fly ash

Any other Environment Management project as approved by the empowered committee based on the project submissions.

Common desalination Plant and Recycling of Wastewater

Assistance :-

- Scheme 1: Assistance to Private developer up to 20% of the project cost by GIDB and can be increase.
- Scheme 2: Assistance to Professional agency (society, trust, company) up to 25% of fixed capital investment.

Constitution & Accountability of JV/SPV :-

The JV/SPV shall be established for the project.

Monitoring Authority :-

- Apex monitoring body: – IC & GIDB
- District Level monitoring: –
 - Collector
 - RM of GIDC
 - Representative of GPCB
 - GM DIC

Scheme 2 Final Assistance under Non PPP projects

For Common waste management and pollution abatement under non PPP projects

Eligible Units :-

Any Private or public institution

Eligible Activities :-

1. Recovery of waste from E-waste/Electroplating/photography
2. Recycling of hazardous waste generated during ship breaking activity
3. Recovery of ODS from old equipment
4. Up-gradation of existing plant through CP/CT

Assistance :-

1. Up to 50% with ceiling of Rs. 4 Crore
2. Up to 50% with ceiling of Rs. 1 Crore
3. Up to 25% with ceiling of Rs. 1 Crore
4. Up to 50% with ceiling of Rs. 2 Crore

Scheme 3 Assistance For CDM and LCA project

Eligible Units :-

1. Private or public institution by forming a cluster of mini. 10 unit for CDM project
2. Any unit by reducing carbon footprint by 20% through LCA

Eligible Activities :-

1. Obtaining carbon credit through CDM project
2. Reducing carbon footprint by 20% through LCA

Assistance :-

1. Seed Money up to 25 lakhs per cluster
2. Up to 50% of expense to be incurred max. Rs. 5 Lakhs per project

Scheme 4 Strengthening the regulation and Environmental compliance

Eligible Activities :-

- Industrial zoning on Env. Aspects, ITIs, Polytechnics/Engineering courses on Env.
- Providing support to GPCB / GEMI for strengthening third party audit and its follow up action.
- Provide support to GPCB in partnership with GEMI to start ITIs/Polytechnics/Engineering courses on Environment Management as well as for in house training of personnel.
- Scientific reports /Pilot project on CP/CT, safety, human health and environment through institutions recognized by Govt. of Gujarat/Govt. of India
- Placing sensors for Air/Water/Land pollution level etc.
- Any other activity as approved by the State Empowered Committee

Assistance :-

Need based support will be provided as may be decided by the State Empowered Committee

State Empowered Committee

For strengthening the Regulation and Environmental Compliance and dispute resolution under the scheme

- | | |
|-----------------------|------------------|
| ➤ ACS / PS (I&MD) | Chairman |
| ➤ ACS / PS (Fin.D) | Member |
| ➤ ACS / PS (P&TD) | Member |
| ➤ ACS / PS (Rev.D) | Member |
| ➤ ACS / PS (F&ED) | Member |
| ➤ PS / S (R&BD) | Member |
| ➤ PS / S (WR,WS & KD) | Member |
| ➤ VC & MD,GIDC | Member |
| ➤ IC | Member |
| ➤ AIC / PCIA | Member Secretary |

Procedure

- ❖ Applicant unit has to submit in relevant prescribed application form to IC or concerned District Industrial Centre
- ❖ Project having 25 lakhs or more, cash assistance will be scrutinized by committee constituted as under:
 - Add. IC Chairman
 - CE, GIDC Member
 - Representative of GPCB Member
 - Director, GEMI or his senior representative Member
 - MS, GCPC or his senior representative Member
 - Joint/Deputy IC Member Secretary
- ❖ PPP project assistance will be received by IC and with the GIDB consultation IC will appoint private developer on competitive basis
- ❖ Applications under other scheme will be received by IC and after review and scrutiny it will be submitted to State Empowered Committee
- ❖ Operative period :-
5 years from the date of issue of this GR

Scheme of Assistance for Environment Protection Measure – MSME

(UNDER INDUSTRIAL POLICY-2009)

Resolution No: BGT/1008/499(2)-G

Dated 11-06-2009

Scheme -1 Assistance for Environment Management to MSME

1. Eligible Units:

Any MSME Units

2. Eligible Activities:

- (A) Substitution & Optimization of Raw material including Catalysts.
- (B) Rainwater Harvesting.
- (C) Any other pre-identified environment management project.
- (D) Implementation of CP/CT measures.

3. Quantum of Assistance

- (A) Up to 25%, Ceiling of Rs 10 lakhs / project
- (B) Up to 50%, Ceiling of Rs 5 lakhs / project
- (C) Up to 25%, Ceiling of Rs 10 lakhs / project
- (D) Up to 50%, Ceiling of Rs 10 lakhs / project

- Project A & D would be decided by State Level Committee and scrutinize by GCPC.
- Project C would be decided by State Level Committee.
- Project B would be decided by District Level Committee

List of some projects sanctioned by IC under this policy

- *Implementation of new technology electro catalytic oxidation for cleaner production and water reuse*
- *Installation of Plat and tube type reverse osmosis membrane system*
- *Equipment Modification of Kiln Trolley by using Ultralite*
- *Use of Mixed pack membrane filter press in place of recess plate type filter press*
- *Use of tube settler in ETP*
- *Use of Multi-Effect Evaporator*
- *Installation of Triton aerator system in CETP*

Scheme -2 Scheme for Assistance to Encouraging Green Practices and Environment Audit to MSME.

1. Eligible Units

Any MSME Units

2. Eligible Activities

- (A) Use of clean , effective & innovative pollution control equipment.
- (B) Voluntary environment audit.
- (C) EMS – setting up Environment Management Cell.
- (D) Equipment /system for safety , occupational health for cluster of industry (min 10 number)
- (E) Installation of Solar system (min 5% energy saving)

3. Quantum of Assistance

- (A) Up to 25% or max - 2.5 lakhs / unit
- (B) Up to 50% or max - 25000 / audit
- (C) Up to 25% or max - 5 lakhs / plant
- (D) Up to 25% or max - 25 lakhs / cluster
- (E) Up to 25% or max - 2.5 lakhs / plant

The quantum of assistance under activity at Sr. No. A, B, C and E would be decided by District level committee and at Sr. No. D would be decided by State level committee

Procedure for Assistance Under Scheme

- The Applicant unit has to apply in the prescribed form with relevant documents to the Industries Commissioner or concerned District Industries Centre.

■ **The assistance will be sanctioned by a State Level Committee,**

- | | | |
|----|--|-----------------------|
| 1. | IC | - Chairman |
| 2. | CE- GIDC | - Member |
| 3. | Representative of GPCB | - Member |
| 4. | Director , GEMI or his Senior Representative | - Member |
| 5. | Member Secretary, GCPC
or his Senior Representative | - Member |
| 6. | Joint / Deputy Industry Commissioner | - Member
Secretary |

- **The assistance will be sanctioned by a District Level Committee,**

1. Collector - Chairman
2. District Development Officer - Member
3. Regional Manager of GIDC - Member
4. Regional Officer of GPCB - Member
5. President of Leading Industrial Association - Member
6. General Manager , DIC -Member Secretary

Operative Period

- The scheme will come in to force from the date of issue of this G.R and shall remain in force for five years.

Thank you.....
